To comply with this new legislation, the Administrative Committee of Ipswich Little Theatre Society has adopted the following policy:

- SMOKING IS NOT PERMITTED in any outdoor area that is available for eating and drinking.
- SMOKING IS PERMITTED in four designated areas as signed. However, ***food and drink must NOT be taken into or consumed in these areas.***
- These rules apply to staff (members) and patrons.
- These rules apply at all times (even when our premises are not open to the public and we are not serving food or drink from our bar/kitchen area).
- Smoking is permitted outside our boundary fences, provided that the smoker remains 4 metres from any building entrance.
- Our patrons and members can receive an *On the spot fine* of \$150 for offences.
- ILTS, as licensees of the premise, is liable for a *Court fine* of \$10,500 (maximum penalty).
- All members of the administrative committee, directors and stage managers of productions, and rostered front of house staff, will need to direct patrons and members to designated smoking areas and direct those who take food or drink into these areas to stop eating or drinking, or leave the area immediately.
- Queensland Health information brochures will be made available at the bar, and copies of the information booklet that has been issued will be held there.
